### WT ANNOUNCES ANDREW SUMNER AS CHIEF OPERATIONS OFFICER QS/PM

"I believe that achieving growth requires a vision and perseverance." Sumner said when reached for comment. "In my role as a Chief Operating Officer at WT, I am excited and aspire to drive this goal by creating achievable milestones and adopting an approach that is adaptable and nimble to the nuances of the market and industry."

NEW YORK, NY – WT Partnership ("WT") has announced the appointment of Andrew Sumner to the position of Chief Operations Officer ("COO") in their growing New York City office.

Over the course of his 25 year career, Mr. Sumner has established himself as a seasoned leader, implementing growth strategies and scaling businesses around the world in the QS discipline, including several leading firms such as Turner & Townsend, Faithful + Gould, Mace North America, and CBRE.

With the acceptance of the COO position in October of 2022, Mr. Sumner now leads WT's growing US Cost Consultancy and Project Management service lines, with a commitment to constant improvement and excellence in the provision of services. Mr. Sumner will continue to develop WT's world class team, strategically grow the business in new markets and ensure that the firm's clients receive industry leading advisory.

WT's Cost Consulting business has continued to experience rapid growth in the North American market across the last decade as the firm continues to expand it's national programs and Fortune 500 client accounts.
